Week 5

What We Did This Week

English

- This week in English, we are continuing to work very hard to on what we have learned about nouns, proper nouns and adjectives.
- The students are reviewing how to use capital letters and full stops correctly.
- The students are also reviewing how to build and write simple sentences.
- The students also reviewed their final 10 spelling words before our 30-word assessment next week
- The students are learning about ‘Caring is Sharing’ and how important it is to care for our friends.
- In Humanities, we have focused on the River Nile and its importance in Ancient Egypt.
- In Science, the students are exploring sound further learning about instruments.
- In Drama, the children are learning what “improvisation” or “improv” means. It will help them later in life to be able to come up with answers quickly.

What We'll Do Next Week

English

- The students will be reviewing and taking mid-term assessments
- We will continue learning reading comprehension skills.
- We will also be reviewing nouns and verbs as well as capital letters and full stops.

Humanities

- We will be taking a break from Egypt during this short assessment week.

Science

- We will be taking a break from Science during this short assessment week.

Reminders to Parents

1. Please be sure your children arrive at school by 7:50AM each morning. This will enable them to be properly prepared for their first Guided Reading lesson of each day, which begins promptly at 8:00AM. Also, there is no longer a “casual Friday” dress code. Please have children dress in PE uniform.
2. Just for clarification, due to Book Week and other ‘off curriculum’ weeks or days, we will be addressing each week as ‘Week 8 Curriculum Week 6’ which means it is the eighth week of school and sixth week of the curriculum.
3. Next week is assessment week, so it is important that students get plenty of rest.
