Week 7
Curriculum Week 5

What We Did This Week

English

- This week in English, we have been learning about adjectives this was fully explored during the writing lesson where the children illustrated their ideas and labeled them using adjectives- What I like.
- We learnt about the function of the question mark, looked at question words and the children even devised their own question sentences. We also looked at how full stops should be used properly in a sentence too.
- The children have also been doing some reading comprehension.
- We continue with our 5C's and 5R's by encapsulating Vanke's core values in our lessons and daily life focusing on 'Caring' in Character Development.
- In Humanities, we have focused Farming in Ancient Egypt.
- In Science, the children are exploring Light further, how we need light and how we can only see objects when they are illuminated.
- In Drama, the children have explored improvisation further with their Teddies!

What We'll Do Next Week

English

- Reading comprehension on toys.
- We will also be reinforcing nouns and verbs as well as Capital letters, full stops and question marks.

Humanities

- The children will continue to learn about Ancient Egypt- the desert environment and climate and compare this to the weather in China.

Science

- The children will be learning about sound- what is sound. We will link this to A-Z reading by reading a book about sound and maths by completing a Venn diagram.

Reminders to Parents

1. Please be sure your children arrive at school by 7:50AM each morning. This will enable them to be properly prepared for their first Guided Reading lesson of each day.
2. Just for clarification, due to Book Week and other 'off curriculum' weeks or days, we will be addressing each week as 'Week 6 Curriculum Week 4' which means it is the sixth week of school and fourth week of the curriculum.
3. Also, please note that we are several lessons behind due to the enjoyable Field Trip so, we will be catching up on them over the coming week or two.
